Schools, Academies and Colleges.

Miss I. NEMETTY'S
SCHOOL FOR YOUNG LADIES,

No. 92 McCulloh Street.

Miss Nemetty will teach French, German and Italian on a new system, invented by her, which has been approved and adopted by the University of Edinburgh in 1869.

This new method has the power of fixing in the memory of the pupil, by one and the same act, the words of the language and the dry rules of its Grammar, so as to dispense with the formal study of either. The Pupil learns to read, write, translate and speak grammatically with the greatest ease. He acquires a knowledge of the most difficult declensions of the German language, without having been conscious of learning them. Instead of time being required for preparing the lesson, preparation is unnecessary, and it has frequently been shown that an intelligent pupil of about fifteen years of age, can, by the application of this system, write and speak *fluently* forty useful sentences after the first lesson.

These results have been personally witnessed by the Head Commissioner in the Baltimore City College, Prof. Carey's School, Col. Johnston's Pen Lucy School, and by Wm. Geo. Read, Esq., and others.

Private classes can be arranged.

WOODS'S

STREET DIRECTORY,

INCLUDING

STREETS, AVENUES, LANES, ALLEYS, COURTS, WHARVES, &c.

IN THE

CITY OF BALTIMORE.

EXPLANATION.—If you wish to find the location of any house—for instance, 71 N. CHARLES-ST., on consulting the Street Directory, see CHARLES, (N.) you will observe 55 is on the N. E. corner of Charles and Saratoga-sts., hence the desired No. 71 will be between Saratoga and Pleasant-sts., right hand. Or, if you are going up Charles-st. and wish to take a cross street so as to call, for example, at 103 Park st, examine the numbers on the corner of Park-st., (see PARK, Street Directory,) and you will find 95 on the corner of Park and Centre, then by counting four houses you arrive at the desired No. 103, right hand.

United States Internal Revenue Stamps of all denominations for sale at the Stamp Clerk's Window.

POSTAL RULES.

Many errors occur by persons not observing the following regulations in depositing letters, papers, or miscellaneous publications in the Office for mailing.

Money should never be enclosed in an ordinary letter.

Valuable letters should be carried to the Post Office and registered. If Money is to be remitted, a Postal Money Order should be obtained. If upon points where there is no Money Order Office, then the letter should be registered.

Direct letters plainly to the Street and Number, as well as the Post Office, County and State. By inserting upon letters the County in which the Office is located, many errors in superscription might be detected, and mistakes in mailing avoided.

Head letters with the name of the writer's Post Office and State, Street and Number. Sign them with full name, and request that answers be directed accordingly.

All drop letters, or letters to be delivered within the city, must be prepaid by Postage Stamps at the rate of 2 cents per ½ ounce or under.

Prepayment by Stamps required on all letters to places within the United States, at the rate of 3 cents per ½ ounce or under.

Full prepayment by Stamps required on all transient printed matter, foreign and domestic

All letters not prepaid by Stamps, all such as are received in the Office with Stamps cut from Stamped Envelopes, or with such Postage Stamps as were in use prior to 1861 or with Revenue Stamps on them, are treated as "unmailable," and are so sent to the Dead Letter Office.

Packages containing poisons, oils, explosive chemicals, liquids, or any thing calculated to injure or endanger the safety of the mails, will not be received.

Valuable letters should in all cases be Registered; and when money is designed to be transmitted, Postal Money Orders, (to secure safety in transmission,) should when practicable, be obtained.

Letter Postage is to be charged on all Handbills, Circulars, or other printed matter which shall contain any manuscript writing whatever

A letter once delivered to any one authorized to receive it, cannot be forwarded without additional postage.

LOTTERIES & SO-CALLED GIFT CONCERTS.

All letters or circulars concerning lotteries, so-called gift concerts, or other similar enterprises offering prizes on any kind on any pretext whatever, deposited in this office to be sent by mail, will be treated as unmailable, and sent to the Dead Letter Office.

MANUSCRIPT.

Manuscript for publication in newspapers, magazines, or periodicals, transmitted by mail, must be prepaid at letter rates of postage. None but Book MSS. can pass at rates prescribed for transient printed matter.

The following Classes of Letters are not Advertised.

Drop Letters unless a three cent postage stamp is affixed.—Letters bearing requests to be returned to writers or bearing the name and address of the writer. —Box Letters.—Letters directed and sent to Hotels, and those returned to the post office as unclaimed.—Letters returned from the dead letter office to writers. —Circulars, free packets containing printed documents, speeches, and other printed matter.—Official letters from any department of the Government.

CITY DELIVERY.

The public are requested to adopt the house-door letter-boxes, the use of which will result in greatly

increased rapidity in the delivery of letters. Free delivery of letters by faithful Carriers will be secured by having them plainly addressed to the Street and number. No necessity exists for persons calling at the office, as all may have their mail matter left at their residences regularly, without risk or charge. Four deliveries will be made daily by the Letter Carriers, beginning at 8.00 a. m., 10.30 a. m., 2.15 p. m., and 4.30 p. m.

Weekly Newspapers, properly folded and addressed, when sent to regular subscribers in the county where printed and published, will be delivered at the office free of postage, when deposited at the Office nearest the office of publication; but such papers will not be distributed by carriers, unless postage is paid upon them in advance, at the rate of five cents per quarter, either at the mailing office or the office of delivery.

COLLECTIONS.

Are made daily from the street letter-boxes as follows: 1st, 7.00 to 8.30 a. m.; 2d, 12.00 to 1.45 p. m; 3d, 7.00 to 8.45 p. m., except Sunday, when one collection from 4 to 6 p. m. is made. Letters are also collected and delivered at the principal hotels.

UNSEALED CIRCULARS.

Not exceeding three in number to one address, 2 cents. Over three and not exceeding six to one address 4 cents. Any larger number the same proportionate rates. Cards enclosed with circulars subject the package to letter postage.

DOMESTIC MAILS.

The single letter rate of postage is three cents, throughout the United States, for ½ ounce or under. An additional rate of three cents is required for each additional ½ ounce, or fraction thereof.

The following are the quarterly rates of postage, when paid quarterly or yearly in advance, on newspapers and periodicals, issued once a quarter or more frequently, and sent to actual subscribers from a known office of publication.

(One copy only,) not exceeding 4 ounces or fraction thereof, quarterly 1 cent; monthly, 3 cents; semi-monthly, 6 cents; weekly, 5 cents; semi-weekly, 10 cents; tri-weekly, 15 cents; six times a week, 30 cents; daily, 35 cents. An additional rate for each additional 4 oz. or fraction thereof.

Transient newspapers and miscellaneous mailable matter to be prepaid by stamps.

One package, (except books and circulars,) to one address, 2 cts. per 4 oz. or fraction thereof.

Books to one address, 4 cents per 4 oz. or fraction thereof.

FOREIGN MAILS.

China and South America.—Brazilian Steamer for South America.—Mail closes at 9 o'clock p. m. on the 22d of each month

Mails for China and Japan, via San Francisco.—Letters, (½ oz.) 10 cents; papers, 2 cents; closes daily at 9 p. m.

European Mail.—Via New York, closes Monday, Tuesday, Wednesday and Friday, 9 p. m.

Havana Mail.—Via New York, closes Wednesday, 9 p. m.

Direct from Baltimore, on or about 1st and 15th of each month.

STAMPED ENVELOPES.

The attention of the public is called to the advantages of using Stamped Envelopes rather than Postage Stamps. Daily, numbers of letters are dropped in the Post Office without pre-payment, with Revenue Stamps, and Stamps cut from Stamped Envelopes affixed, which are held for postage; whereas by the use of Stamped Envelopes, these letters would go forward without delay.

Persons purchasing Stamped Envelopes, of any denomination, in quantities of 500 and upwards, may have their address and request to return in a specified time printed thereon, not to exceed four lines, free of charge. The department offers unusual inducements to the public in the sale of Stamped Envelopes.
